referred to NJ RB Collins

COMPLAINT

PARTIES

1. The Plaintiff is a resident of Braintree, Plymouth, and Massachusetts and a citizen of United States.
2. The defendant Boston University, Boston, Massachusetts.
3. The defendant U.S. Equal Employment opportunity Commission, Boston, Mass.

JURISDICTION

4. This court has Jurisdiction over this matter to 28 U.S.C & 1332.

FACTS

1. When I came to the United States, I had a Master in Literature/Business, a law degree and worked as an attorney for eight years.
2. I started working at BU with the assurance that I will be promoted to a Higher Level as I improve my education.
3. During work, I was a part time student and completed 64 credits in Master of City Planning and 24 credits in American Banking Law (LL.M) graduate program in law school.
4. After finishing my education I sent my resume for several positions on and off, and I did not receive an interview.

5. I have written letters to the trustees and president requesting to look at the unfair justice at B.U.
6. While applying and sending the letters, the administration began to ruin my record and started to harass me.
7. I had a meeting with Ms. Josephine Tompkin, Employer Relation office 07 Personnel. She told me that BU has a strict policy for the Administrative Job, and that it was only for white people and not for colored people. They talk to you sweetly but they never hire you. She advised me to leave BU and look for a job somewhere else.
8. After reviewing my letter, Boston University Equal opportunity office director told me it was true that I had higher education and experience, but I did not fit the circle. When I asked her to clarify the "circle" she said "the color of your skin."
9. Director of housing Mare Robirad told me in a meeting, "I am sorry Vahid I cannot help you due to BU's strict policy in not to hire non-white for Administrative Job." He told me to leave BU and look for a job somewhere else.
10. After trying everything and hearing the remark indicated above, I filed two complaints in MCAD for their help.
11. As I filed the complaint in MCAD BU Administration instructed the housing to look for a chance to fire me. Associate Director of Housing, Mr. John Ballatino (son of trustees) started to use supervisors to harass me with verbal racial remarks, threatening to fire me, suspension warning, used students and the Hall Director to come and give me a hard time and write me up, and they installed a new camera focusing on me. After this, I called and asked the Director of Housing for a meeting. At that meeting, the Director Mr. Mare Robiarid and Associate Director Mr. John Ballatino insulted me. I asked them both for a leave of absence (without pay) until I received the outcome from MCAD, they both asked me to resign and leave BU and go and find a better job somewhere else and they also said that I was not going to get promoted at BU anywhere and that I was wasting my time here.
12. Associate Director Mr. John Ballatino was going to his house and I asked him for his help. He told me "get out of my face I am sick up to my neck, I will fire you very soon that is the help you will get from me (expletive)" and then he pushed me and left.
13. Mr. John Ballatino was right he fired me within two weeks with his fabricated tools.

14. Most of the administrative staff is Connected in one way or the other, relative, friends, Trustees recommendations etc. I have no connection except God. Since I was hired at BU in 1981, I had the assurance that I would be promoted as soon as I improve my education. I claim the relief for financial damages, emotional, a family destruction, and family emotional damages.

I demand a Trial by Jury.
